

## MBA in Professional Accounting

### Earn an MBA in Accounting in 14 months

The Rutgers Business School **MBA in Professional Accounting** is a full-time program to be completed in 14 months. With its multidisciplinary, technologically sophisticated approach, and strong emphasis on international accounting standards, the program provides students with a wide range of career opportunities.

An MBA after just 14 months of full-time study, eligibility to sit for the CPA exam, and preparation to take advantage of a world of business opportunities—these are the hallmarks of the MBA in Professional Accounting program. Flexibly designed to provide undergraduates in the arts and sciences the opportunity to transition into an accounting career and those with accounting degrees the chance to study cutting edge accounting technology.

*Classes will be held at 1 Washington Park on our Newark Campus, 30 minutes to NYC.*

### Faculty Profile: Alexander Sannella

**Professor Sannella** is currently a Professor of Accounting at the Rutgers Business School and the Director of the Master of Accountancy in Professional Accounting Program and the Director of the Rutgers Business

School Teaching Excellence Center. He received his Ph.D. in Accounting and Finance from New York University and is a New York State Certified Public Accountant. Dr. Sannella has over 40 years teaching experience at the university level and over 24 years' experience in developing and teaching commercial and investment bank training programs.

His training programs include courses designed for financial analysts, associates and special programs for sales and trading professionals. He has public accounting experience as an auditor for PricewaterhouseCoopers, LLP and KPMG, LLP. Dr. Sannella was also an independent consultant working on many projects with other public accounting firms, bankruptcy trustees and leasing divisions of major insurance companies.
