PLEASE BE SURE TO READ EACH ITEM LISTED THOROUGHLY. FAILURE TO DO SO WILL RESULT IN A DELAY OF YOUR VISA ISSUANCE.

**For International Students:** You should use this form if you will be requesting an I-20 form to obtain an F-1 student visa or a DS-2019 form for a J-1 visa. International students must have enough financial funds to meet the full costs of their educational and living expenses for themselves and, if applicable, their dependents. Please include a copy of your passport.

**The following documentation is required:**

1. **Affidavit of Support.** Funding and documents must be current, nothing older than 9 months prior to the term of admission can be accepted. You will need to provide the amount according to the program you have been admitted to.
2. **Bank Statement.** A photocopy (no more than 9 months prior to start date) from a bank or other financial institution is acceptable. Balances must be reported on official bank letterhead or business forms and it must be in English. If you are being sponsored by a parent and/or relative, their information along with their relationship to you must be provided on the Affidavit of Support form. Please do not send itemized bank statements. Just be sure to limit the bank statements to one or two pages, per sponsor, with the account number(s) and amount(s). You may have more than one sponsor. **Note: Bank statements must be from a checking, savings, or time deposit account. Brokerage, stock or equities funds; real estate and/or any non-liquid assets may not be included.**

**For the documented funds needed,** you must provide equal to or more than the amount listed for your program.

**For the projected funds needed,** you will simply need to fill in the amount so that you are aware that that is the amount that you will need for the following term/academic year. You do not need to provide actual funding. (This is subject to change).

3. **Scholarship/Loan.** If you have been offered a scholarship, you must provide a copy of that award letter. If you are receiving a loan, the offer must be in English and must specify the amount that is being provided to you. The letter must also show the terms and conditions of the offer.

**Dependents.** For dependents who are accompanying you, please provide a list of their names, their relationship to you, date of birth, city and country of birth, along with a copy of the passport for each dependent. You are also required to provide additional funds for each additional dependent. See chart below for corresponding amount(s).

**Additional Information about financial documents:**

- FINANCIAL DOCUMENTS WILL NOT BE RETURNED TO YOU. If you are submitting official documentation, please be sure to obtain duplicate original documents for your visa application/interview.
