Advanced Workshop Conferences:

- 21st Annual Western Conference, June 18-20, 2008, Monterey, California, U.S.

ADVANCED WORKSHOP IN REGULATION AND COMPETITION

Networking Industries—energy, electricity, gas, postal, telecom, water, etc.—are currently undergoing major changes, the most significant being regulatory changes. The Workshop presents some of the latest economic thinking used to analyze major current problems of network industries. Competition, ‘deregulation’, and the increased use of market rather than regulatory processes outline in very broad terms the material to be covered. In addition, the Workshop will provide some of the latest legal thinking and its economic impact upon the increasingly competitive environment of network industries.
**OBJECTIVE**
To promote a better understanding of competition, regulatory environment, challenges in network industries and the role of regulation

**WHO SHOULD ATTEND?**
Individuals interested in developing a better understanding of competition, forthcoming challenges, and regulatory developments in network industries and applying it in their company or regulatory commission.

**APPROACH**
The Workshop is organized annually as three one-day meetings combined with a two-day conference in the Eastern U.S. and a second two-day conference on the West Coast. The meeting format is designed to allow for both presentation of recent research and the open discussion of new ideas. The topics covered provide not only the latest research on competitive developments in network industries, but also instructions on subjects required for a better understanding of competition.

**CALL FOR PAPERS - CRRI’S EASTERN & WESTERN CONFERENCES**
Persons interested in presenting papers are invited to submit abstracts not exceeding two double-spaced pages for consideration for either of the two conferences. Abstracts for the 21st Annual Western Conference are due **November 27, 2007** and those for the 27th Annual Eastern Conference are due **January 2, 2008**. Please indicate which conference you are applying and whether you would be would be prepared to present the paper at either one. Abstracts may be faxed to 973-353-1348 or emailed to crri@rbs.rutgers.edu

The Workshop Organizing Committee is responsible for the selection of the Eastern Conference program. The Western Committee is responsible for selection of the Western Conference Program. Decisions on papers will be conveyed promptly. Electronic copies of the completed papers are due **April 10, 2008** for the Eastern and **May 14, 2008**, for the Western Conference.

All persons presenting papers are presenting papers are required to register for the conference at the reduced enrollment fee of $920 (govt. $465) for the Eastern and $995 (govt. $530) for the Western Conference, provided payment is received by February 1, and February 16, 2008 respectively. After these dates, the full conference fees of $985 (govt. $495) for the Eastern and $1,045 (govt. $560) for the Western Conference will apply. In case of full-time faculty of colleges and universities selected for the program, an honorarium plus full support for registration and lodging may be available.

**CENTER FOR RESEARCH IN REGULATED INDUSTRIES**
CRRI is located at Rutgers University, aims to further the study of regulation by research in economics, finance, and institutions. Its publications, seminars, workshops, and courses make available the latest advances to academics, managers, and regulatory commission staff. The Center has over thirty years of experience providing research, instruction, conferences, courses, seminars, and workshops in the economics of network industries. The Center’s *Journal of Regulatory Economics* is an international scholarly bi-monthly publication intended to provide a forum for the highest quality research in regulatory economics.
