Pharmaceutical Management Board of Advisors

The Rutgers MBA in Pharmaceutical Management was designed with substantial industry input. Members of the Board of Advisors work to ensure that the curriculum remains relevant by providing ongoing advice and guidance. They also interview every candidate for an industry scholarship, play a key role in organizing the monthly industry seminars, and serve as valuable ambassadors for their companies. Current board members include:

Christopher Parker
Deputy Director, Channel Marketing Health Plans & PBMs
Bayer HealthCare Pharmaceuticals

Sean Strachan
Manager, Talent Acquisition - University Programs
Bristol-Myers Squibb

Terry Davidson
