What Flex MBA students say:

Diane Hanna ’15
Marketing, Strategy & Leadership

“The rankings reflect what every student observes on a day-to-day basis. The quality of programs, instruction, faculty, facilities, and students makes Rutgers one of the most valuable and sought-after graduate programs. My colleagues and I believe that the rankings are well deserved, and we expect them to move higher in the coming years.”

Dana McGraw ’15
Marketing, Strategy & Leadership

“I have been blessed to have had some really amazing instructors during my MBA journey. I was not especially looking forward to Accounting, in fact, it scared me, but in walked Ira Zecher. With years of industry experience and a passion for accounting, he made the material understandable, engaging and compelling. I always left his class excited about what I was learning.”

Timothy Boylan ’16
Marketing, Supply Chain Management

“I chose the MBA program at Rutgers Business School for its reputation, ranking, and location. Rutgers is consistently ranked one of the best business schools in the world. Their reputation of building strong business leaders is showcased by their current students and loyal alumni base. Lastly, they are conveniently located between Philadelphia, New York, and Washington, D.C. which provides access to some of the world’s best companies.”
