Rutgers School to School Transfers to RBS New Brunswick from Rutgers Camden

Students who are registered during the spring 2018 semester at Rutgers University-Camden and who will have attained a minimum of 24 Rutgers credits by the end of the spring 2018 semester will have an opportunity to apply to RBS New Brunswick for fall 2018 using a school-to-school transfer application. To apply, please visit the school-to-school transfer website. RBS New Brunswick accepts school-to-school transfers for the fall semester only. Students interested in applying for fall 2018 may submit a school-to-school online transfer application between February 1 & April 30, 2018. Decisions will be sent out on June 30, 2018.

The Rutgers Business School: Undergraduate-New Brunswick offers six majors leading to the Bachelor of Science degree: accounting (010), business analytics and information technology (136), finance (390), leadership and management (605), marketing (630), and supply chain management (799). School-to-school transfer students are admitted into the second and third years of the program, upon meeting specific course and GPA requirements.

Admission is competitive, based on a limited number of seats available for the fall 2018 semester. Therefore, the criteria outlined below are minimum requirements and do not guarantee admission to the Rutgers Business School-New Brunswick (RBS-NB) undergraduate program. It is the student’s responsibility to be familiar with all relevant information. Applications will be reviewed once spring grades have been posted. Summer 2018 coursework will NOT be included in the review. You will not be admitted to RBS-NB if you have any unresolved (= not yet repeated) D or F grades in pre-business courses, at the time you are applying.

Criteria for Admission for Students applying from Rutgers University-Camden:

**RBS-NB Graduation Residency:** Rutgers University-Camden students transferring into RBS-NB with greater than six business credits will be required to complete extra credits for graduation, possibly resulting in additional time and tuition payments, in order to fulfill the New Brunswick 45 business credit residency requirement. For this reason, transfer is not recommended for students who will have completed more than six business credits in their present college by the end of the current semester. Students in this situation seeking transfer must consult with a transfer advisor in RBS-NB prior to submitting a school-to-school transfer application. **NOTE:** The only business content courses that transfer from the Camden campus are: 52:010:101 Introduction to Financial Accounting & 52:010:202 Management Accounting.

**Minimum Cumulative GPA:** Students applying from Rutgers University-Camden must have a cumulative grade-point average of 3.500 at Rutgers University by the end of the spring 2018 semester – no summer 2018 grades will be considered. This is a minimum GPA guideline; the actual GPA for admission may be higher based on competition for the number of seats available.
for fall 2018. **NOTE:** The GPA used for admission may vary from the GPA shown on your transcript due to the application of RBS credit and grading policies

**To be eligible to transfer from a Camden campus school, students must have completed the following by the end of the spring 2018 semester:**

1) 50:640:121 Unified Calculus I  
3) Two of the remaining four pre-business courses listed below  
4) 24 Rutgers credits  
5) A specific Rutgers cumulative GPA of about a 3.500, though it can vary slightly depending on the GPA of the applicant pool.

Students interested in transferring to RBS New Brunswick from the Camden campus must take prerequisite courses before they can declare a business major, and 5/6 of those prerequisite courses are available to all Rutgers-Camden students.

**The five required pre-business courses offered at Camden are:**

- 50:640:121 Unified Calculus I  
- 50:220:102 Microeconomic Principles  
- 50:220:103 Macroeconomics Principles  
- 50:960:284 Intro to Statistics II  
- 52:010:101 Introduction to Financial Accounting*  
  *Students must receive a grade of at least “B” in this course to major in Accounting.

If you are accepted into the Rutgers Business School, you will have to complete the remaining eligibility requirements (including 01:198:170 Comp Apps for Business, for which there is no equivalent course at Camden) before you would be able to declare a business major. If you fail to complete all 6 pre-business requirements with a C or better, by the end of the spring 2019 semester, then you would not be allowed to continue in RBS. While you may be admitted having completed the minimum requirements indicated above, you will not be able to declare your business major until all of the eligibility requirements have been completed. In this case, your graduation could be delayed.
