WITH JAMES
DOWNEY OF
CUSHMAN &
WAKEFIELD**

At the end of October 2017, The RBS Center for Business of Fashion in Manhattan hosted students and faculty from Bocconi University in Milan, along with top industry executives. MSBF students participated in private tours of Saks Fifth Avenue and Barney's, and attended seminars pertaining to fashion and luxury. We hope that this synergy between Bocconi and the MSBF program will create exciting new opportunities.

**NOW ACCEPTING FALL
2018 APPLICATIONS:**

The Master of Science in Business of Fashion (MSBF) program is creating a new breed of industry leaders by providing an advanced business degree uniquely contextualized for the fashion industry.

**CURRENT STUDENT URVI
SAYS OF MSBF PROGRAM:**

"I would recommend this program to anyone who is looking to make an impact on the fashion world or who wants to become a highly valued professional"
