

Advanced Workshop in Regulation and Competition
19th Annual Western Conference

Hyatt Regency, in Monterey, California, on June 28-30, 2006

The Conference features some of the latest developments in the telecommunications and energy sectors, including:

- Performance and Reliability
- Market Structure
- Policy and Regulatory Issues
- Telecommunications
- Demand Response

Who should attend:

- Industry Economists
- Marketing and Regulatory Managers
- Regulatory Commission Staff

Keynote Speaker:

CRRI is happy to welcome **Rachelle Chong**,
Commissioner – California Public Utilities Commission.

CENTER FOR
RESearch IN
REGULATED
INDUSTRIES

THE STATE UNIVERSITY OF NEW JERSEY
RUTGERS

CENTER FOR RESEARCH IN REGULATED INDUSTRIES

The *Center for Research in Regulated Industries*, located at Rutgers University, aims to further study of regulation in economics, finance, and institutions. Its publications, seminars, workshops, and courses make available the latest advances to academics, managers, and regulatory commission staff. The Center has twenty-eight years of experience providing research, instruction, conferences, courses, seminars, and workshops in economics of network industries. The Center's *Journal of Regulatory Economics* is an international scholarly bi-monthly publication intended to provide a forum for the highest quality research in regulatory economics. Other research from the Center's programs has been published in the book series *Topics in Regulatory Economics and Policy*.
