

World Business Lenders — More than Your Lender, Your Partner

- Leading lender to entrepreneurs worldwide.
- Provide short-term business loans to solve your working capital needs so that you can focus on what matters most, growing your business.
- All we need are the completed loan application and business bank statements to get the approval process started.

Our Clients

- Small business owners with room for growth.
- We lend to various business types including service providers (i.e., childcare, automotive, pharmaceutical and computer companies), retailers (i.e., floral and apparel stores), medical professionals, food services, etc.
- If your business needs capital for equipment, inventory, staffing, renovation and marketing, you may qualify for a commercial business loan with World Business Lenders.

About World Business Lenders

- World Business Lenders can design financing programs tailored to serve the needs of small and medium size enterprises (SMEs).
- We are a small business lender, not a bank.
- Our focus is on understanding your business and its financial profile .

The World Business Lenders Advantage

- We have flexibility in our lending approach and believe that it should not be based solely on credit scores. Local market conditions, management and the business growth plan are key factors that we look at when working with a business owner.
- The process is simple — just send in your completed loan application and 12 months of business bank statements. Approval and funding can be completed within 7 business days.
- As entrepreneurs, we understand the entrepreneurial spirit in each small business owner.
