F. Conference and Invited Seminar Presentations

The Geography of Entrepreneurship. Presented at Tokyo University of Technology, December 2018.

Why Innovation is Important for Chinese Firms?

Presented at Southwestern University of Finance and Economics, Chengdu, China, July 2016.

Southwest Jiaotong University, Chengdu, China, July 2017.

Presented at Tokyo University of Technology, December 2018.

Capturing the Hidden Value of R&D Failures: How Firms can Cut Research Costs and Speed Innovation Resources and capabilities, signaling, and location choices of new ventures, Peking University, China, April 2016; Southwestern University of Finance and Economics, China, July 2016.

Presented at *Academy of Management Conference*, Vancouver, August 2015.

The impact of the institution of religion on organizational decision making: the case of leveraged buyouts

Presented at *Academy of Management Conference*, Vancouver, August 2015.

Who acquires whom and why? Learning from successes and failures in life sciences

Presented at Stockholm School of Entrepreneurship, April 2015.

Exploring the feasibility and characteristics of a market for R&D failures

Presented at Stockholm School of Economics, December 2014.

Growth and survival: The effects of agglomeration and competitive conditions

Presented at *Academy of Management Conference*, Philadelphia, PA, August 2014.

Growth and survival: the effects of agglomeration and competitive conditions

Presented at *Academy of Management Conference*, Orlando, FL, August 2013.

Mixed signals: A longitudinal analysis of automobile warranty, 1960- 2008

Presented at *Academy of Management Conference*, Boston, August 2012.

Presented at *The Israeli Strategy Conference*, Tel Aviv, December 2012.

How do buyouts generate returns: Selection vs. Value-add?

Presented at *Private Equity Conference*. HEC Paris. June 2012.

Corporate culture as determinant of firm conduct and performance: Religiosity and buyouts

Presented at *Academy of Management Conference*, Texas, August 2011.

Presented at *Private Equity Forum*, Paris, March 2011.

Presented at *Tuck Private Equity and Growth Ventures Conference*, Dartmouth College, February 2011.

Heterogeneity and survival of de novo entrants

Presented at *Academy of Management Conference*, Texas, August 2011.

Growth and survival of de novo entrants in clusters and dispersal

Presented at *Academy of Management Conference*, Montreal, 2010.

Who enters where and why?

Presented at Rutgers University, December 2009.

Presented at EMLyon, France, February 2010.

Presented at ESSEC Business School Paris, France, February 2010.

The failure of the market for R&D failures

Presented at *Strategic Management Society*, October 2009.

Political views and buyout targets

Presented at *Israel Strategy Conference*, December 2008.

Presented at HEC Paris, December 2008.

Presented at *Strategic Management Society*, October 2008.

Presented at *Academy of Management Conference*, Anaheim, August 2008.

Presented at ACAC, Atlanta, June 2008.

Presented at *Tuck Private Equity Conference*, Dartmouth College, February 2008.

What doesn't kill you makes you stronger – De novo entry in clusters

Presented at *Academy of Management Conference*, Anaheim, August 2008.

Presented at *Strategic Management Society*, October 2008.

Presented at Tuck School of Business, Dartmouth College, November 2007.

Survival-enhancing strategies of de novo entrants in clusters and dispersal

Presented at ACAC, Atlanta, June 2008.

Presented at *the Israeli Strategy Conference*, Jerusalem, December 2007.

Presented at HEC France, December 2007.

Presented at Entrepreneurship Junior Faculty Consortium, *Strategic Management Society*, 2007.

Be there or be square: A signaling perspective on new entrants' choice of location

Presented at *Academy of Management Conference*, August 2007.

Presented at *the Israeli Strategy Conference*, Jerusalem, December 2007.

Presented at Rothman, Toronto University, March 2007.

Presented at Carlson Business School, University of Minnesota, February 2007.

Presented at Tuck School of Business, Dartmouth College, February 2007.

Presented at HEC France, December 2007.

Presented at IESE Spain, March 2008.

Getting more mileage out of your initial resources: Clusters, learning, adolescence, and survival

Presented at *Strategic Management Society*, San Diego, October 2007.

The influence of capabilities and initial resource endowments on the location choices of de novo enterprises

Presented at *Strategic Management Society*, Vienna, Austria, October 2006.

Firm failures as a determinant of new entry: Is there evidence of local creative destruction?

Presented at *Academy of Management Conference*, Atlanta, August 2006,

Presented at *Strategic Management Society*, Vienna, Austria, October 2006.

The survival value of clusters for de novo entrants

Presented at *Academy of Management Conference*, Atlanta, August 2006.

Strategic location choices of new enterprises

Presented at *Academy of Management Conference*, Honolulu, August 2005

Presented at Rotman School of Management, Toronto University, March 2007.

Presented at Carlson School of Management, University of Minnesota, February 2007.

Presented at IESE Spain, March 2008.

The survival value of clusters: Comparing new enterprises in cluster and isolation

Presented at *Babson-Kaufman Entrepreneurship Research Conference*, Wellesley, Massachusetts, June 2005.

Who enters, where, and why? Initial resource endowments and location choices of entrepreneurial enterprises

Presented at *Conference on Competitive Heterogeneity*, Tuck School of Business, Dartmouth College.

Presented at *West Coast Research Symposium on Technology Entrepreneurship*, University of Washington.

Presented at Tel Aviv University - Recanati Graduate School of Business Administration.

Presented at Hebrew University - Jerusalem School of Business Administration.

Presented at Ben-Gurion University - Katz International School for Business Administration.

Presented at Tilburg University - Tias Business School.

Presented at Concordia University - The John Molson School of Business.

Presented at RSM Erasmus University.

Presented at HEC Paris - International Business School.

Presented at Max Planck Institute of Economics Kahlaische, Jena, Germany.

Enterprise failures as a determinant of entrepreneurial entry

Presented at *Academy of Management Conference*, New Orleans, August 2004.

Do cluster and non-cluster entrepreneurial entries differ?

Presented at *Babson-Kaufman Entrepreneurship Research Conference*, Glasgow, June 2004.

Enterprise failures as a determinant of entrepreneurial entry: A study of within region micro-clusters

Presented at West Coast Research Symposium on Technology Entrepreneurship, University of Washington, September 2003.

The geography of entrepreneurial entry

Presented at Agglomeration Conference, University of British Columbia, Vancouver, July 2003.

The geographic nature of entrepreneurship: Location choice of new establishments

Presented at *Babson-Kaufman Entrepreneurship Research Conference*, Wellesley, Massachusetts, June 2003.

Death, Entry and the Pursue of Competitive Advantage

Presented at *Administrative Sciences Association of Canada – ASAC*, Halifax, June 2003.

The geographic nature of entrepreneurship

Presented at ERA (Entrepreneurship Research Alliance), Ottawa, February 2002.

G. Data Collection

- Life Sciences 1985-2015
Bloomberg merger and acquisitions, Compustat, United States Patent and Trademark Office (USPTO) and Thomson's ISI Web of Knowledge. Project pertaining to the market for R&D failures and M&A activity.
