FULL-TIME EMPLOYMENT HISTORY

Rutgers University, Newark, NJ **2006-Present**

ASSISTANT PROFESSOR OF PROFESSIONAL PRACTICE

- Co-Director of MIS Association (MISA) in 2016-2017: Advised MIS Association, a MIS student's organization as their consultant in career development and technical knowledge transfers.
- Nominated by Rutgers University - Newark Student Governing Association in 2016 and 2017 with Students' Choice Awards where students have nominated the professors that have affected their lives the most. Got nominated twice and won the "Excellence in Business" award. Over 700 faculties were on the ballots from Newark campus, with the top 15 faculty then selected as finalists. This was a campus wide recognition. This is a campus wide recognition.
- Received "MIS Professor of the year" by The Dean's Advisory Council (DAC) in 2015.
- Received multiple awards three years in a roll (2012 to 2014) from the students' Professor Polls Survey sponsored by The Dean's Advisory Council (DAC) in Newark campus. Awards including "Most Promising Professor", "Most Motivational", "Most Engaging", "Most Knowledgeable", "Most Entertaining" and "Most Sociable" Professor awards.
- Got invited to teach in the summer of 2016 and 2017 at the newly created Rutgers University Newark Institute at NENU (Chang Chun, China) and received 4.53 student rating (totals of 246 students)

- Created new courses for Newark and New Brunswick RBS elective classes related to “Data Mining and Data Warehousing”, and “Relational Database and Web Development” from 2013 to 2016.
- Taught Undergraduate and MBA courses in Business and Information Systems related subjects.
- Attended Rutgers Business School Office of Graduate and Undergraduate Admissions’ enrollment initiative in June 2015. This “Mocktail Mixer for Transfer Students” offered admitted transfers the opportunity to meet faculty to understand different aspects of the transfer student experience at Rutgers University – Newark.
- Served a 3-year term of University Senate representing Newark Campus.
- Participated in activity conducted by the Dean’s Advisory Council (DAC) in November 2013 to help students’ understanding about the role of MIS and its future career path. This was the first time DAC conducted such event with selective two faculty members from each Rutgers Business School department.
- Volunteered to visit few colleges and high schools in China from 2008 to 2014 in order to promote Rutgers programs.
- Volunteered to be MBA first-year student Mentor to assist newcomers to adjust to the new environment.
