E D U C A T I O N

PH.D. IN BUSINESS (*ACCOUNTING*)

Stanford University, Graduate School of Business

1991

BACHELOR OF ECONOMICS (*FIRST CLASS HONORS*)

The Australian National University

1986

P R O F E S S I O N A L E X P E R I E N C E

2008-Present **Editor** International Journal of Disclosure & Governance, Palgrave Macmillan, London

1999-Present **Associate Professor** Rutgers Business School-Newark and New Brunswick, Department of Accounting Business Ethics & Information Systems. Tenure received July 1, 2002.

1991-1999 **Assistant Professor** McCombs School of Business, Department of Accounting, the University of Texas at Austin

2009 Visiting Professor, New York University

2004-2005 Visiting Professor, Melbourne Business School.

2000-Present Expert Consultant, RAND Corporation.

- Senior reviewer of numerous RAND working papers on defense related issues, including the Defense Finance and Accounting Service Customer Interaction Project, Working Capital Fund Project and the Project Air Force replacement decision for the KC-135 tanker and upgrades of the C-5A heavy cargo aircraft.
- Senior Reviewer of the Future of Auditing Project.

2000 Course Specific Expert, UniversityAlliance.com

1998-1999 Senior Consultant, Texas Correctional Industries

- Designed and implemented new costing system for Texas Correctional Industries, a \$100 million a year business—the first such system ever developed in the country.
- Supervised rollout of a comprehensive management control system to meet needs of government, users and customers. Particular attention paid to the sensitive and political nature of the industry and potential for resistance to change from employees.

- Presented findings on numerous occasions in testimony to the Texas Board of Criminal Justice. Publicly praised for successful accomplishment of the design and implementation phases of the project—ahead of schedule and under budget.

1998	Preparation of expert testimony for utilities rate justification, Entergy Corp.
1998 Summer	Visiting Professor, Cox Business School, Southern Methodist University
1994–1995	Visiting Professor, Stern School of Business, New York University
1986–1987	Research Economist, Reserve Bank of Australia

R E S E A R C H A N D T E A C H I N G I N T E R E S T S

- The role of information in profit maximization and firm management
- Control system design as a means of implementing firm strategy, managing change and motivating worker performance
- Continuous auditing and the enhancement of auditor credibility
- Corporate governance
