

Lifetime Achievement Award

Robert E. Campbell

Robert E. Campbell is a retired Vice Chairman of The Board of Directors of Johnson & Johnson. After serving three years as an Air Force officer, Bob embarked on a career at Johnson & Johnson, during which time he held numerous positions in financial and general management including, Treasurer, Vice President Finance, Executive Committee Member and Chairman of the Professional Sector, where he was responsible for the building of many businesses, including cardiovascular stents, disposable contact lenses and endoscopic surgical instruments.

During his career and subsequent retirement, he served on leadership and counseling roles with numerous institutions and community organizations. Mr. Campbell is Trustee Emeritus and past Chairman of the Board of Trustees of Fordham University and The Robert Wood Johnson Foundation. He is past Chairman and Chairman Emeritus of the Director's Leadership Council of the Rutgers Cancer Institute of New Jersey where he had key involvement in its formation, development and growth. He is a past board member of the College of Science of the University of Notre Dame and was also an Overseer of the Robert Wood Johnson Medical School and Rutgers University. He also has been active with numerous community organizations, providing support and counsel, including the Governor's Commissions on Higher Education where he played an important role in fostering the integration of UMDNJ and Rutgers.

Mr. Campbell is a graduate of Fordham University and earned his MBA degree at Rutgers University. He and his wife, Joan, have four children, nine grandchildren and seven great grandchildren. A native of Passaic, NJ, he now resides in North Brunswick, NJ.
